#### § 1822.261 General.

This subpart sets forth the policies and procedures and delegates authority for making Rural Housing Site (RHS) loans under sections 523 and 524 of the Housing Act of 1949. Any processing or servicing activity conducted pursuant to this subpart involving authorized assistance to FmHA or its successor agency under Public Law 103–354 employees, members of their families, known close relatives, or business or close personal associates, is subject to the provisions of subpart D of part 1900 of this chapter. Applicants for this assistance are required to identify any known relationship or association with an FmHA or its successor agency under Public Law 103–354 employee. Section 523 loans are direct loans for the purchase and development of building sites for housing to be built by the self-help method; they have additional requirements which are contained in § 1822.278.

[35 FR 16087, July 1, 1970, as amended at 58 FR 224, Jan. 5, 1993]

The basic objective of RHS loans is to assist public or private nonprofit organizations interested in providing sites for housing, to acquire and develop land in rural areas. [35 FR 10687, July 1, 1970, as amended at 40 FR 52837, Nov. 13, 1975; 46 FR 61989, Dec. 21, 1981; 67 FR 78326, Dec. 24, 2003]

### § 1822.264 Eligibility requirements.

(a) *Eligibility of applicant.* To be eligible for an RHS loan, the applicant must be a private or public nonprofit organization as defined in § 1822.263 (a) or (b) which is authorized to provide housing sites on a nonprofit basis.

(1) If it is a private nonprofit organization as defined in § 1822.263(a), it should also:

(i) Have a membership of at least 10 community leaders.

(ii) Plan to adopt, if it is being newly organized, articles of incorporation and bylaws that generally conform to model articles and bylaws provided by the State director which will be consistent with State law and with changes appropriate to the purposes

and powers of an eligible applicant under this subpart.

(2) [Reserved]

(b) *Authorized representative of applicant.* The Farmers Home Administration (FmHA) or its successor agency under Public Law 103–354 will deal only with the applicant or bona fide representative or the applicant or the representative's technical advisors. An authorized representative of the applicant must have no pecuniary interest in the award of the engineering, architectural or construction contracts, necessary equipment, or the purchase or development of the land.

### § 1822.265 Loan purposes.

RHS loans may be made to qualified applicants:

(a) For the purchase and development of adequate sites, including the construction of essential access roads, streets, utility lines, and necessary equipment which will become a permanent part of the development. If public water and waste disposal facilities are not available and cannot reasonably be provided on a community basis with other financing, including FmHA or its successor agency under Public Law 103–354 Water and Waste Disposal Association loans, funds may be included for this purpose.

(b) For the payment of necessary engineering fees, legal fees, and closing costs.

(c) For the payment of actual cash cost of incidental administrative expenses such as postage, telephone, advertising, and temporary secretarial help, if funds to pay these expenses are not otherwise available. The estimated cost of these items should be identified and shown in the budget.

(d) To provide for needed landscaping, planting, seeding, or sodding, or other necessary facilities related to buildings such as walks, parking areas, and driveways.

(e) When legally required by proper local, county, and State Governmental bodies as a condition for subdivision approval, RHS loan funds may be used to provide common areas playgrounds and tot lots, provided such facilities

are dedicated to, and maintained by, a public body.

(42 U.S.C. 1480; delegation of authority by the Sec. of Agri., 7 CFR 2.23; delegation of authority by the Asst. Sec. for Rural Development, 7 CFR 2.70)

[35 FR 16087, July 1, 1970, as amended at 43 FR 24264, June 5, 1978]

#### § 1822.266 Limitations.

(a) *Loan limits.* No RHS loan(s) will be made to any applicant which will result in the applicant's owning an unpaid principal balance of more than \$100,000 on such loan(s) unless prior authorization for a larger loan is obtained from the national office. No such loan will exceed the development cost as defined in § 1822.263(d), or the value of the property as improved with the loan. These limitations also apply to cases in which the same persons hold a majority of the membership interests or constitute a majority of the directors of two or more applicants.

(b) *Limitations of use of loan funds.* Loans will not be made for:

(1) The purchase of land in excess of the immediate and identified needs in the locality.

(2) The purchase of land from a member of an applicant-organization, or from another organization in which any member of the applicant-organization has an interest, without prior consent of the national office.

(3) Refinancing of debts, except in accordance with paragraph (e) of this section.

(4) Payment of any fee, charge, or commission to any broker, negotiator, or other person for the referral of a prospective applicant or solicitation of a loan.

(5) Payment of any fee, salary, commission, profit, or compensation to an applicant, or to any officer, director, trustee, stockholder, member or agent of an applicant, except as provided in § 1822.265(b). No contract or agreement for services to be paid for with loan funds should be executed by the applicant without prior approval by the State director.

(c) *Sale of developed sites.* The sites developed with a section 524 loan must be for housing low- and moderate-income families and may be sold to families, nonprofit organizations, public agen-

cies, and cooperatives eligible for assistance under any section of title V of the Housing Act of 1949, or under any other law which provides financial assistance. For example, this may include:

(1) Individuals with low and moderate incomes eligible for HUD mortgages.

(2) Individuals with low and moderate incomes eligible for VA guaranteed loans.

(3) Individuals with low or moderate incomes eligible for a loan from any private lender which is authorized by law to provide financial assistance for housing.

(4) Nonprofit organizations funded by Federal, State, or local governments carrying out programs for low- and moderate-income families to obtain housing.

(5) State or local public agencies such as a housing authority or a housing finance development agency carrying out programs for low- and moderate-income families to obtain housing.

(d) *Suitability of sites.* Sites will meet the requirements of the planned use; for example, individual housing or multiple housing or any combination thereof. Building sites must be well located and designed to provide a desirable living environment. Generally a loan will not be made for the development of less than 10 units, but they need not be contiguous.

(e) *Obligations incurred before loan closing.* When an applicant files an application for a loan, the county supervisor will advise the applicant that development work must not be started and obligations for work, materials, or land purchase must not be incurred before the loan is closed. If, nevertheless, the applicant incurs obligations for work, materials, or land purchase before the loan is closed, the State director may authorize the use of loan funds to pay such obligations only when he finds that all the following conditions exist:

(1) The obligations were incurred after the applicant filed a written application for a loan.

(2) The applicant is unable to pay such obligations from its own resources or to obtain credit from other sources, and failure to authorize the use of loan

funds to pay such debts would impair the applicant's financial position.

(3) The obligations were incurred for authorized loan purposes.

(4) Contracts, materials, development and any land purchase meet FmHA or its successor agency under Public Law 103-354 standards and requirements.

(5) Payment of the obligations will remove any liens which have attached, and any basis for liens that may attach, to the property on account of such obligations or such work, materials, or land purchase.

[35 FR 10687, July 1, 1970, as amended at 40 FR 6951, Feb. 18, 1975]

**§ 1822.267 Special conditions.**

(a) *Evidence of need.* Loans will be made on the basis of the applicant providing firm information as to the number of sites to be developed and evidence of a need for the proposed building sites in the locality.

(b) *Nondiscrimination.* The borrower will be required to agree not to discriminate or permit discrimination, in accordance with section 3 of the loan resolution form "('Rural Housing Site' Loan to Nonprofit Corporation)," available at all FmHA or its successor agency under Public Law 103-354 offices.

(c) *Supervisory assistance.* Supervision will be provided borrowers to the extent necessary to achieve the objectives of the loan and to protect the interests of the Government. County supervisors will counsel with applicants in selecting locations that will provide essential services and facilities and will result in the development of desirable residential communities.

(d) *Loan resolution.* A Loan Resolution will be adopted by the applicant's Board of Directors or similar governing body using a form entitled, "((Rural Housing Site) Loan to Nonprofit Corporation)" available at all FmHA or its successor agency under Public Law 103-354 offices. If any provisions are not appropriate to a particular case, proposed substitute language should be submitted to the national office with the recommendations of the State director.

(e) *Development policies.* Development will be planned and performed in accordance with subparts A and C of part 1924 of this chapter, and certain infor-

mation in a guide entitled "Planning and Developing Building Sites" available at all FmHA or its successor agency under Public Law 103-354 offices.

(f) *Water and waste disposal facilities.* If public water and waste disposal facilities are not available and these facilities will be provided on a community basis with funds included in the RHS loan or with other financing, provision should be made to form an organization with members who will provide continuing maintenance and management of facilities. The cost of the facilities should be considered as a cost of developing the sites and included in the price charged for the lots when they are sold.

(g) *Compliance with local codes and regulations.* Planning and development of sites will comply with all State, county, and local planning and zoning requirements, and will be for housing that will conform with any applicable laws, ordinances, codes, and regulations governing such matters as construction, heating, plumbing, electrical installation, fire prevention, health, and sanitation.

(h) *Optioning of land.* If a loan includes funds to purchase real estate, the applicable provisions of subpart A of part 1943 regarding options will be followed. After the loan is approved, the county supervisor will have Form FmHA or its successor agency under Public Law 103-354 440-35, "Form Letter—Acceptance of Option," or other appropriate form of acceptance, completed, signed by the applicant, and mailed to the seller.

(i) *Use of and accountability for loan funds.* Supervised bank accounts will not be used except when their requirement is made or authorized by the State director for cases where adequate bonding is not available. If a supervised bank account is used, collateral for deposits of funds will be pledged when the supervised bank account exceeds \$100,000. All loan funds and funds from other sources to be used to pay the development costs of the site, as well as proceeds from the sale of any sites, will be deposited in accordance with part 1902, subpart A of this chapter. The county supervisor will see that funds for land purchase are paid to the seller simultaneously with loan closing.

After the loan is closed, monthly reports will be provided to FmHA or its successor agency under Public Law 103-354 of all disbursements made and income received by the borrower. Reports for each month will be submitted to the FmHA or its successor agency under Public Law 103-354 county office during the first 10 days of the next month. No expenditures will be made without prior FmHA or its successor agency under Public Law 103-354 consent for items which are not included in the FmHA or its successor agency under Public Law 103-354 approved development cost estimate or for amounts greater than those set forth in such estimate.

(j) *Insurance.* The State director will determine the minimum amounts and types of insurance the applicant will carry.

(1) Suitable workman's compensation insurance will be carried by the applicant for all its employees.

(2) The applicant will be advised of the possibility of incurring liability and encouraged, or required when appropriate, to obtain liability insurance.

(k) *Bonding.* (1) Approved corporate surety bonds will be required in all cases involving a development contract in excess of \$20,000, unless an exception is made by the national office. In other cases, the county supervisor will determine whether a surety bond is required.

(2) The applicant will provide fidelity bond coverage for its officers and employees entrusted with the receipt, custody, and disbursement of its funds and the custody of any other negotiable or readily saleable personal property. The amount of the bond will be at least equal to the maximum amount of such funds including funds in bank accounts, and property that the applicant will have in its possession or control at any one time. If permitted by State law, the United States will be named coobligee in the bond. Form FmHA or its successor agency under Public Law 103-354 440-24, "Position Fidelity Schedule Bond," may be used if permitted by State law.

(l) *Conditional commitments for construction of homes on developed sites.* Conditional commitments may be issued on sites developed with an RHS

section 524 loan to permit homes to be constructed on sites prior to the sale of the site to an eligible purchaser in accordance with the following:

(1) The requirements of 7 CFR 3550.70 must be met and a conditional commitment issued prior to the start of construction of the home.

(2) The conditional commitment must be issued to an RHS borrower who can legally provide the proposed housing and has the experience and training in construction to the extent necessary to assure that the housing will be built or jointly to the RHS loan borrower and a builder who has the legal capacity, training and experience necessary to construct the housing. In all cases the following language will be added under "other conditions" on Form FmHA or its successor agency under Public Law 103-354 1944-11, "Conditional Commitment":

(i) "Notwithstanding the other provisions of this commitment the sale of completed homes on sites developed with section 524 Rural Housing Site loans will be limited to families eligible for assistance under any section of title V of the Housing Act of 1949 or under any other law which provides financial assistance for housing low- and moderate-income families. The approval of FmHA or its successor agency under Public Law 103-354 will be obtained prior to the sale of each home. The request for approval shall be submitted to the local FmHA or its successor agency under Public Law 103-354 office along with an application for an RH 502 loan or a financial statement from the purchaser and verification of the other credit that is available."

(ii) The benefits of the nonprofit development of the site(s) must be passed on to the purchaser. This will result in this site being sold for \$\_\_\_\_\_ (price to be determined as provided for in (§1822.275(b))).

(3) In arriving at the commitment price for the site and the completed home, the value will be based on the present market value of the house only, plus the nonprofit selling price of the lot.

(4) If in order to obtain interim financing for the construction of the homes, the RHS loan borrower requests

## § 1822.268

a subordination by FmHA or its successor agency under Public Law 103-354 on individual lots, the State Director may approve the subordination by completing and executing a subordination in the format of exhibit C of this subpart.

(5) FmHA or its successor agency under Public Law 103-354's lien on any lot will be released only at the time of sale to an eligible purchaser.

(6) The County Supervisor should provide the necessary supervision to assure that the RHS loan borrower takes the necessary action to assure that all qualified builders in the area are aware of the availability of rural housing sites and are given an equal opportunity to participate in this conditional commitment program. As a minimum, the borrower will be required to submit a signed statement indicating the actions taken including names and dates of contacts with builders.

## § 1822.268 Rates, terms, and source of funds.

(a) *Interest rate.* Upon request of the applicant, the interest rate charged by FmHA or its successor agency under Public Law 103-354 will be the lower of the interest rates in effect at the time of loan approval or loan closing. If an applicant does not indicate a choice, the loan will be closed at the interest rate in effect at the time of loan approval. Interest rates are specified in exhibit B of FmHA or its successor agency under Public Law 103-354 Instruction 440.1 (available in any FmHA or its successor agency under Public Law 103-354 office) for the type assistance involved.

(b) *Repayment period.* Final payment will be due 2 years after the date of the loan. When necessary to carry out the loan purposes, the national office may

## 7 CFR Ch. XVIII (1-1-04 Edition)

authorize extension of maturity dates. As lots are sold before the final due date of the note, the proceeds of the sales will be applied on the account or any prior lien, or, with the prior approval of the national office, used in a manner consistent with the purposes of the loan and the security interest of the Government.

(c) *Source of funds.* Loans under this subpart will be made as insured loans, except that loans under § 1822.278 to develop building sites for sale in connection with self-help projects will be made as direct loans.

[35 FR 10687, July 1, 1970, as amended at 51 FR 6733, Feb. 26, 1986]

## § 1822.269 Security.

Each loan will be secured by a mortgage on the property purchased or improved with the loan, and a security interest in the funds held by the corporation in trust for the Government, in accordance with the provisions of the required Loan Resolution.

## § 1822.270 Technical, legal, and other services.

(a) *Appraisals.* The property will be appraised by an FmHA or its successor agency under Public Law 103-354 employee authorized to make real estate appraisals. The appraisal will consist of a narrative statement prepared and signed by the authorized employee describing in detail the items considered in arriving at the value of the property. Two values will be established by the appraiser:

(1) The fair market value of the total property "as is".

(2) The aggregate fair market value of the building sites after development.

(i) In determining the value of the property, the appraiser will consider the value and selling prices of similar building sites in the area. The selling prices of similar sites must be fully documented.

(ii) [Reserved]

(b) *Title Clearance and Legal Services.* For a loan to a public nonprofit organization, title clearance and legal services will be obtained in accordance with instructions from the OGC, observing the provisions of subpart B of part 1927 of this chapter to the extent

feasible. For a loan to a private non-profit organization, the provisions of subpart B of part 1927 of this chapter regarding title clearance and legal services will apply. The applicant will be encouraged to have the same approved closing agent, where practical, perform the title clearance work in connection with the purchase of the land and the sale of the individual sites.

(c) *Contracts for legal services.* On projects requiring more legal services than are customarily required for title clearance alone, the applicant will be required to have a written contract when loan funds will be used for legal services. All such contracts will be subject to review and approval by the State director and therefore should be submitted to the State Director before execution by the applicant. Contracts will provide for the types of service to be performed and the amount of fees to be paid either in lump sum on the completion of all services or in installments as services are performed.

(d) *Engineering services.* On projects requiring engineering services, a written contract will be required between the engineer and the borrower. All such contracts will be subject to review and approval by the State director and therefore should be submitted to the State Director before execution by the applicant. The form of contract must conform with standard professional practices and describe the types of services to be performed and fees to be paid.

[35 FR 16087, July 1, 1970, as amended at 51 FR 6733, Feb. 26, 1986; 56 FR 67471, Dec. 31, 1991]

(11) Written evidence of any State, county, or local planning, zoning, or other ordinances imposing additional restrictions or requirements upon the proposed sites.

<sup>1</sup> Data input to Finance Office through field office terminals.

(f) *Submission of complete docket.* The complete docket will be sent to the State office together with the District Director's comments and recommendations and a draft for a press release.

(g) *Loan approval authority and State Office action.* The State Director is authorized to approve loans in accordance with this subpart and subpart A of part 1901 of this chapter. As soon as it is evident that a loan will be approved, the State Director will complete exhibit A to subpart C of part 2015 of this chapter and submit to the FmHA or its suc-

cessor agency under Public Law 103-354 Finance Office through field office terminals that information contained in Form FmHA or its successor agency under Public Law 103-354 1944-50, "Multiple Family Housing Borrower/Project Characteristics." The State Director may redelegate approval authority to qualified State Office employees. When a docket or preliminary application is received in the State Office, the State Director will:

(1) Utilize the services of technicians on his staff and from other agencies in evaluating the application.

(2) Review the applicant's articles of incorporation and bylaws. If they conform to approved forms for the State as provided in § 1822.264(a)(1)(ii), the State director need not obtain a preliminary opinion from the OGC. In all other cases the State director will, and in any case may, submit the docket with any comments or questions to the OGC for a preliminary opinion as to whether the applicant and the proposed loan meet or can meet the requirements of State law and this subpart.

(3) If additional information is needed to adequately evaluate the application, return the loan docket to the District Director with any comments and recommendations for further processing.

(4) If the docket is sufficiently complete to enable the State Director to determine that the applicant is eligible and the loan would be sound and proper, issue a proposed memorandum of approval listing any specific conditions that must be met before loan closing.

(5) If the applicant is not eligible or the loan would not be sound and proper and the deficiencies cannot be corrected, inform the District Director accordingly.

**§ 1822.274 Loan closing.**

(a) *Applicable instructions.* The complete loan docket will be sent to the OGC for loan closing instructions. RHS loans will be closed in accordance with applicable provisions of subpart B of part 1927 of this chapter, and State Instructions which supplement this Instruction, and closing instructions of the OGC, and with the assistance of the approved attorney, representatives of the title insurance company, or local attorney, whichever is appropriate.

(b) *Mortgage.* Unless the OGC determines the Form to be inappropriate, real estate mortgage Form FmHA or its successor agency under Public Law 103-354 1927-1 (state), "Real Estate Mortgage for \_\_\_\_\_," will be used for all RHS section 524 loans modified as prescribed by or with the advice of the OGC with respect to the name, address, and other identification of the borrower, the style of execution, and the acknowledgement. Additional paragraphs will be included in the mortgage to read as follows:

The borrower agrees not to discriminate in the sale of the dwelling financed under this mortgage due to a prospective purchaser's race, color, national origin, sex, religion, age, marital status, or handicap. The borrower further agrees to comply with all Federal, State, or local laws and ordinances prohibiting discrimination in the sale of housing. This instrument also secures the obligations and covenants of borrower set forth in Borrower's Loan Resolution of \_\_\_\_\_ (date), which is hereby incorporated herein by reference.

If the original is retained by the recording official for the county records, a conformed copy including the recording data showing the date and place of recordation and book and page number will be prepared and filed in the borrower's case folder. A copy of the mortgage will be delivered to the borrower but will be conformed only if required by State law or if it is the custom of other lenders in the area.

(c) The proceeds from sale of the building sites will be applied on the RHS loan and any prior lien or, with the prior approval of the National Office, used in a manner consistent with the purpose of the loan and the security interest of the Government. Loans to organizations currently involved in mutual self-help housing projects may be made without submitting a list of the names of prospective site purchasers. There must, however, be definite evidence that

(e) *Multiple advances.* These loans may be disbursed over a period not to exceed 18 months from the date of the first advance.

(f) *Note forms.* Form FmHA or its successor agency under Public Law 103-354 1944-52, "Multiple Family Housing Promissory Note," will be used. See § 1822.274 (c).
